

Dear Community Business and Families,

We could not be more thrilled to welcome back our teachers and students for what is sure to be an incredible 2021-2022 school year! This summer we have been busy preparing for the upcoming year and can't wait to announce the fun plans we have for our students and community – none of which would be possible without amazing and generous sponsors!

We are excited to invite you to join the Bear Branch Elementary School PTO through our business and family sponsorship program. Your sponsorship will help purchase spirit shirts for students and teachers, upgrades to our campus, teacher appreciation, critical classroom supplies, fund programs such as field trips and assemblies, and enrich our students with opportunities they might not otherwise experience.

Please see the attached information about this year's sponsorship levels and associated benefits for your family or business. Our upper level sponsorships are limited due to printing timelines, and are taken on a first-come, first-serve basis. We will provide a donation receipt letter for you, which includes our tax-exempt ID number for your records. Please feel free to contact us with any questions you may have or to discuss other ways you can support our school.

BBES PTO is dedicated to making our school the most nurturing place we possibly can for our kids, teachers, and families – no matter where this school year takes us. On behalf of the PTO, we thank you for your time and consideration. Your support truly makes a difference in the lives of our students and teachers.

Thank you,

Mechelle Schleider
